The 17 Essential Qualities of a Team Player

Duration: 1 day

Strong team players don't grow on trees, just ask any team leader. Knowing what to look for and learning the DNA of a good team member is critical. Learning *the 17 Essential Qualities of a Team Player* serves two powerful needs. It helps team leaders to identify early on who the potential all-star team members are and helps current team members to discover what they need to do to help create a better team. There is no longer any reason to put up with inefficient, low-morale, and frustrating teams. With this training course you can turn your department into the flagship of the organization in no time!

In this John C. Maxwell course, we uncover the mystery of successful teams and how they appear to execute effortlessly to accomplish great things. These secrets are available to you and can be learned if not mastered.

Learning outcomes:

In this course, participants will learn:

- What qualities make up ideal team players
- Practices that can develop team qualities in one another
- How teamwork efficiency increases with properly motivated and guided team members
- Techniques to identify strong team members
